The bus in the back yard has a transmission issue, but that he is in the process of selling it and it will be out of there soon. He said the rear parking area is already paved and he plans on adding a two-car awning.

The Board Members asked for confirmation that the downstairs area will not be used as a rental and suggested he bring blue prints or similar plans to the Council meeting. He reiterated that the property will only have one meter and affirmed that he will not try to lease to bottom space. He will try to have more information for the Council meeting.
