**CITY COUNCIL APPOINTMENTS:****ORDINANCES:****20180518 Z2018-18 [REZONING] JAIRO A. MURILLO**

**Z2018-18 [REZONING] JAIRO A. MURILLO** is requesting the rezoning of 0.17 acres located in Land Lot 1224, District 16, Parcel 0440, 2nd Section, Marietta, Cobb County, Georgia, and being known as 803 Polk Street from R-1 (Single Family Residential/Agriculture) to R-4 (Single Family Residential - 4 units/acre). Ward 3A.

*City Attorney Doug Haynie opened the public hearing and explained the rules of order. Mr. Haynie then swore in those wishing to speak.*

*Rusty Roth, Development Services Director, presented information regarding the request to rezone property at 803 Polk Street from R-1 (Single Family Residential/Agriculture) to R-4 (Single Family Residential - 4 units/acre). The parcel is considered legally nonconforming due to lot size under the current R-1 zoning classification, which limits the property owner to only minor construction projects. Currently the scope of work cannot exceed fifty percent of the replacement value of the existing home due to nonconforming lot regulations that would require compliance with all zoning standards. If rezoned to R-4 with the accompanying variances, the home could be enlarged without being limited by the nonconforming lot regulations.*

*Mr. Roth explained that there may be an issue with the amount of pavement used for the driveway configuration shown on the attached plans. According to Marietta's Zoning Code, "No more than 35 percent of the required front yard may be paved or used for parking" [§716.08 C.8]. Due to the busy nature of Polk Street, the applicant would like to have a turnaround option to avoid having to back out of the driveway onto Polk Street. This could be achieved by providing a hammerhead or turnaround in the rear yard; but would also increase the amount of impervious surface on the property.*

*To proceed with the project as shown under the R-4 zoning standards, the following variances would be necessary:*

- *Variance to allow up to 45% of the front yard be paved. [§716.08 C.8]*
- *Variance to reduce the minimum lot size from 7,500 sf. to 7,349 sf. [§708.04 H]*
- *Variance to reduce the minimum lot width from 75 ft. to 60 ft. [§708.04 H]*
- *Variance to increase the density to allow one unit on 0.192 acres. [§708.04 H]*

*Kurt Kahill, representing the applicant, requested the rezoning to renovate the existing single-story home on the property to a two-story home with a carport. There would be an overall expansion of the building footprint to allow for a more livable home for the applicant's mother.*

*Seeing no one else wishing to speak, the public hearing was closed.*

*A motion was made to rezone the property at 803 Polk Street from R-1 (Single Family Residential/Agriculture) to R-4 (Single Family Residential - 4 units/acre), with the following variances incorporated as conditions of zoning:*

- Variance to allow up to 45% of the front yard be paved. [§716.08 C.8]*
- Variance to reduce the minimum lot size from 7,500 sf. to 7,349 sf. [§708.04 H]*
- Variance to reduce the minimum lot width from 75 ft. to 60 ft. [§708.04 H]*
- Variance to increase the density to allow one unit on 0.192 acres. [§708.04 H]*

**The motion was made by Council member Walker, seconded by Council member Morris, that this matter be Approved. The motion carried by the following vote:**

**Vote: 7 – 0 – 0**

**Approved as Stipulated**

**20180359**

**Z2018-16 [REZONING] GLOBAL US PROPERTIES INC** is requesting the rezoning of 1.3 acres located in Land Lot 1170, District 16, Parcel 1130, 2nd Section, Marietta, Cobb County, Georgia, and being known as 1686 Roswell Road from CRC (Community Retail Commercial) to OI (Office Institutional). Ward 7A.

*City Attorney Doug Haynie opened the public hearing and swore in those wishing to speak.*

*Rusty Roth, Development Services Director, presented information regarding the request to rezone property located at 1686 Roswell Road from CRC (Community Retail Commercial) to OI (Office Institutional), which was tabled from last month.*

*The applicant requested to rezone the property for the redevelopment of the property into a senior living personal care facility. The building has three (3) floors and a basement, and the applicant is proposing to renovate the second and third floor to house twelve (12) independent senior living studios units. All renovations necessary to convert the building and site would require adherence with all current code requirements.*

*Discussion was held by Council related to the current and/or increased drainage and runoff issues on the property. Dan Conn, Public Works Director, explained that the plan has been revised to eliminate all outside work, therefore no variances are needed. They would also not be required to do any work related to drainage and runoff issues.*

*Discussion was also held regarding the pylon sign in front of the building. The applicant agreed to convert the existing pylon sign to a monument sign. Seeing no one else wishing to speak, the public hearing was closed.*

*Motion to approve the rezoning request for property located at 1686 Roswell Road from CRC (Community Retail Commercial) to OI (Office Institutional), with the following stipulation incorporated as a condition of zoning:*

*The existing pylon sign will be converted to a monument sign, to which the applicant willingly agreed.*

**The motion was made by Council member Goldstein, seconded by Council member Chalfant, that this matter be Approved. The motion carried by the following vote:**

**Vote: 7 – 0 – 0**

**Approved as Stipulated**

**20180522**                      **V2018-19 [VARIANCE] MCDONALD’S CORP**

Motion to approve variances for property located in Land Lot 7, District 17, Parcel 0400, 2nd Section of Cobb County, Marietta, Georgia and being known as 1195 Powder Springs Street.

- Variance to allow a pylon sign remain after the site is redeveloped at approximately 35’ in height and 122 square feet sign copy area.

*Rusty Roth, Development Services Director, presented information regarding the variance request for the existing sign at 1195 Powder Springs Street. McDonald’s is requesting variances to allow the existing pylon sign to remain after redevelopment. The pylon sign is at approximately 35’ in height and 122 square feet sign copy area.*

*The applicant explained that McDonald’s is proposing major renovations to this site, including a new interior and exterior design, ADA accessibility improvements, and new signage on the building. The proposed construction cost will exceed 50% of the building’s replacement value; therefore, the entire site is required to comply with the zoning ordinance. Other than the retention of the existing pylon sign, the site development plans submitted to the City indicate compliance with all zoning requirements.*

*Discussion was held regarding other businesses in the area that have been made to convert to monument signs.*

**A motion was made by Council member Chalfant, seconded by Council member Kelly, to Deny the variance request. The motion carried by the following vote:**

**Vote: 7 – 0 – 0**                      **Denied**

**20180686 Chicasaw Drive Stream Buffer**

Request by Debra Whitworth for a variance from the City Stream Buffer Protection Ordinance at 583 Chicasaw Drive.

Public Hearing Required

*Public Works Director, Dan Conn, presented information related to the request for variance from the Stream Buffer Protection Ordinance, City Code 7-10. The applicant is requesting permission to construct an addition to the existing residence that would include a living area and garage. All improvements, including a driveway to serve the proposed garage, are within the 75-foot impervious setback and 50 foot undisturbed stream buffer.*

*Mr. Conn explained that use of the stream buffers as the property rests today would be considered exempt from the ordinance; however, the improvements must comply with current code. The owner is proposing to implement a stream buffer mitigation project that would improve the overall runoff quality for the property and improve riparian conditions. In accordance with City Code, City Council is permitted to grant a variance from the Stream Buffer Protection ordinance in this case.*

*Discussion was held.*

**A motion was made by Council member Kelly, seconded by Council member Morris, to approve the variance from the Stream Buffer Protection Ordinance at 583 Chicasaw Drive. The motion carried by the following vote:**

**Vote: 6 – 1 – 0                      Approved**
